

Medicare Payer-Related Codes

Variable	Value	Description from Medicare Fee-For-Service (FFS) Claims (Version K) Codebook
NCH Primary Payer Code (if not Medicare)	E	Worker's compensation (WC)
Claim Related Occurrence Code	04	Accident/employment related — the date of an accident relating to the patient's employment
Claim Related Condition Code	02	Employment related — patient alleged that the medical condition causing this episode of care was due to environment/events resulting from employment
Claim Value Code	15	That portion of a payment from a higher priority WC plan made on behalf of a bene that the provider applied to Medicare covered services on this bill. Six zeroes indicate the provider claimed conditional Medicare payment.
Claim Medicare Non-Payment Reason Code	14	MSP cost avoided — Workman's Compensation (WC) Datamatch
Claim Medicare Non-Payment Reason Code	15	MSP cost avoided — Workman's Compensation Insurer Voluntary Data Sharing Agreements (WC VDSA) (eff. 4/2006)

Included ICD-10-CM codes

Code	Description	Definition(s) from source literature
T704	Effects of high-pressure fluids (hydraulic, pneumatic, traumatic jet injection (industrial))	Work-related external cause
V600	Driver of heavy transport vehicle injured in collision with pedestrian or animal in nontraffic accident	Work-related external cause
V605	Driver of heavy transport vehicle injured in collision with pedestrian or animal in traffic accident	Work-related external cause
V610	Driver of heavy transport vehicle injured in collision with pedal cycle in nontraffic accident	Work-related external cause
V615	Driver of heavy transport vehicle injured in collision with pedal cycle in traffic accident	Work-related external cause
V620	Driver of heavy transport vehicle injured in collision with two- or three-wheeled motor vehicle in nontraffic accident	Work-related external cause
V625	Driver of heavy transport vehicle injured in collision with two- or three-wheeled motor vehicle in nontraffic accident	Work-related external cause
V630	Driver of heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident	Work-related external cause
V635	Driver of heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident	Work-related external cause
V640	Driver of heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident	Work-related external cause
V645	Driver of heavy transport vehicle injured in collision with heavy transport vehicle or bus in traffic accident	Work-related external cause
V650	Driver of heavy transport vehicle injured in collision with railway train or railway vehicle in nontraffic accident	Work-related external cause
V655	Driver of heavy transport vehicle injured in collision with railway train or railway vehicle in traffic accident	Work-related external cause
V660	Driver of heavy transport vehicle injured in collision with other nonmotor vehicle in nontraffic accident	Work-related external cause
V665	Driver of heavy transport vehicle injured in collision with other nonmotor vehicle in traffic accident	Work-related external cause
V670	Driver of heavy transport vehicle injured in collision with fixed or stationary object in nontraffic accident	Work-related external cause
V675	Driver of heavy transport vehicle injured in collision with fixed or stationary object in traffic accident	Work-related external cause

Included ICD-10-CM codes

Code	Description	Definition(s) from source literature
V680	Driver of heavy transport vehicle injured in noncollision transport accident in nontraffic accident	Work-related external cause
V685	Driver of heavy transport vehicle injured in noncollision transport accident in traffic accident	Work-related external cause
V690	Driver of heavy transport vehicle injured in collision with other and unspecified motor vehicles in nontraffic accident	Work-related external cause
V694	Driver of heavy transport vehicle injured in collision with other and unspecified motor vehicles in traffic accident	Work-related external cause
V695	Passenger in heavy transport vehicle injured in collision with other and unspecified motor vehicles in traffic accident	Work-related external cause
V700	Driver of bus injured in collision with pedestrian or animal in nontraffic accident	Work-related external cause
V705	Driver of bus injured in collision with pedestrian or animal in traffic accident	Work-related external cause
V710	Driver of bus injured in collision with pedal cycle in nontraffic accident	Work-related external cause
V715	Driver of bus injured in collision with pedal cycle in traffic accident	Work-related external cause
V720	Driver of bus injured in collision with two-or three- wheeled motor vehicle in nontraffic accident	Work-related external cause
V725	Driver of bus injured in collision with two-or three- wheeled motor vehicle in traffic accident	Work-related external cause
V730	Driver of bus injured in collision with car, pick-up truck or van in nontraffic accident	Work-related external cause
V735	Driver of bus injured in collision with car, pick-up truck or van in traffic accident	Work-related external cause
V740	Driver of bus injured in collision with heavy transport vehicle or bus in nontraffic accident	Work-related external cause
V745	Driver of bus injured in collision with heavy transport vehicle or bus in traffic accident	Work-related external cause
V750	Driver of bus injured in collision with railway or train or railway vehicle in nontraffic accident	Work-related external cause
V755	Driver of bus injured in collision with railway or train or railway vehicle in traffic accident	Work-related external cause
V760	Driver of bus injured in collision with other nonmotor vehicle in nontraffic accident	Work-related external cause

Included ICD-10-CM codes

Code	Description	Definition(s) from source literature
V765	Driver of bus injured in collision with other nonmotor vehicle in traffic accident	Work-related external cause
V770	Driver of bus injured in collision with fixed or stationary object in nontraffic accident	Work-related external cause
V775	Driver of bus injured in collision with fixed or stationary object in traffic accident	Work-related external cause
V780	Driver of bus injured in noncollision transport accident in nontraffic accident	Work-related external cause
V785	Driver of bus injured in noncollision transport accident in traffic accident	Work-related external cause
V790	Driver of bus injured in collision with other and unspecified motor vehicles in nontraffic accident	Work-related external cause
V794	Driver of bus injured in collision with other and unspecified motor vehicles in traffic accident	Work-related external cause
V830	Driver of special industrial vehicle injured in traffic accident, includes battery-powered airport passenger vehicle, battery-powered truck (baggage) (mail), coal-car in mine, forklift (truck), logging car, self-propelled industrial truck, station baggage truck (powered), tram, truck, or tub in mine or quarry	Work-related external cause
V831	Passenger of special industrial vehicle injured in traffic accident, includes battery-powered airport passenger vehicle, battery-powered truck (baggage) (mail), coal-car in mine, forklift (truck), logging car, self-propelled industrial truck, station baggage truck (powered), tram, truck, or tub in mine or quarry	Work-related external cause
V834	Person injured while boarding or alighting from special industrial vehicle, includes battery-powered airport passenger vehicle, battery-powered truck (baggage) (mail), coal-car in mine, forklift (truck), logging car, self-propelled industrial truck, station baggage truck (powered), tram, truck, or tub in mine or quarry	Work-related external cause
V835	Driver of special industrial vehicle injured in nontraffic accident, includes battery-powered airport passenger vehicle, battery-powered truck (baggage) (mail), coal-car in mine, forklift (truck), logging car, self-propelled industrial truck, station baggage truck (powered), tram, truck, or tub in mine or quarry	Work-related external cause

Included ICD-10-CM codes

Code	Description	Definition(s) from source literature
V836	Passenger of special industrial vehicle injured in nontraffic accident, includes battery-powered airport passenger vehicle, battery-powered truck (baggage) (mail), coal-car in mine, forklift (truck), logging car, self-propelled industrial truck, station baggage truck (powered), tram, truck, or tub in mine or quarry	Work-related external cause
V840	Driver of special agricultural vehicle injured in traffic accident	Work-related external cause
V841	Passenger of special agricultural vehicle injured in traffic accident	Work-related external cause
V844	Person injured while boarding or alighting from special agricultural vehicle	Work-related external cause
V845	Driver of special agricultural vehicle injured in nontraffic accident	Work-related external cause
V846	Passenger of special agricultural vehicle injured in nontraffic accident	Work-related external cause
V850	Driver of special construction vehicle injured in traffic accident	Work-related external cause
V851	Passenger of special construction vehicle injured in traffic accident	Work-related external cause
V854	Person injured while boarding or alighting from special construction vehicle	Work-related external cause
V855	Driver of special construction vehicle injured in nontraffic accident	Work-related external cause
V856	Passenger of special construction vehicle injured in nontraffic accident	Work-related external cause
V8601	Driver of ambulance or fire engine injured in traffic accident	Work-related external cause
V8651	Driver of ambulance or fire engine injured in nontraffic accident	Work-related external cause
W12	Fall on and or from scaffolding	Work-related external cause
W300	Contact with combine harvester	Work-related external cause / true agricultural case
W301	Contact with power take-off devices	Work-related external cause / true agricultural case
W302	Contact with hay derrick	Work-related external cause / true agricultural case
W303	Contact with grain storage elevator	Work-related external cause / true agricultural case
W308	Contact with other specified agricultural machinery	Work-related external cause / true agricultural case
W309	Contact with unspecified agricultural machinery	Work-related external cause / true agricultural case
W310	Contact with mining and earth-drilling machinery	Work-related external cause
W313	Contact with prime movers (gas turbine, steam engine)	Work-related external cause
W3182	Contact with other commercial machinery (commercial electric fans, commercial kitchen appliances)	Work-related external cause
W3183	Contact with special construction vehicle in stationary use	Work-related external cause
W35	Explosion and rupture of boiler	Work-related external cause
W363	Explosion and rupture of pressurized-gas tank	Work-related external cause
W400	Explosion of blasting materials	Work-related external cause

Included ICD-10-CM codes

Code	Description	Definition(s) from source literature
W408	Explosion of other specified explosive materials (explosion in dump/factory/grain store munitions)	Work-related external cause
W861	Exposure to industrial wiring, appliances and electrical machinery	Work-related external cause
W890	Exposure to welding light	Work-related external cause
Y35001	Legal intervention involving unspecified firearm discharge, law enforcement official injured	Work-related external cause
Y35011	Legal intervention involving injury by machine gun, law enforcement official injured	Work-related external cause
Y35021	Legal intervention involving injury by handgun, law enforcement official injured	Work-related external cause
Y35031	Legal intervention involving injury by rifle pellet, law enforcement official injured	Work-related external cause
Y35041	Legal intervention involving injury by rubber bullet, law enforcement official injured	Work-related external cause
Y35091	Legal intervention involving other firearm discharge, law enforcement official injured	Work-related external cause
Y35101	Legal intervention involving unspecified explosives, law enforcement official injured	Work-related external cause
Y35111	Legal intervention involving injury by dynamite, law enforcement official injured	Work-related external cause
Y35121	Legal intervention involving injury by explosive shell, law enforcement official injured	Work-related external cause
Y35191	Legal intervention involving other explosives, law enforcement official injured	Work-related external cause
Y35201	Legal intervention involving unspecified gas, law enforcement official injured	Work-related external cause
Y35211	Legal intervention involving injury by tear gas, law enforcement official injured	Work-related external cause
Y35291	Legal intervention involving other gas, law enforcement official injured	Work-related external cause
Y35301	Legal intervention involving unspecified blunt objects, law enforcement official injured	Work-related external cause
Y35311	Legal intervention involving baton, law enforcement official injured	Work-related external cause

Included ICD-10-CM codes

Code	Description	Definition(s) from source literature
Y35391	Legal intervention involving other blunt objects, law enforcement official injured	Work-related external cause
Y35401	Legal intervention involving unspecified sharp objects, law enforcement official injured	Work-related external cause
Y35411	Legal intervention involving bayonet, law enforcement official injured	Work-related external cause
Y35491	Legal intervention involving other sharp objects, law enforcement official injured	Work-related external cause
Y35811	Legal intervention involving manhandling, law enforcement official injured	Work-related external cause
Y35891	Legal intervention involving other specified means, law enforcement official injured	Work-related external cause
Y3591	Legal intervention, means unspecified, law enforcement official injured	Work-related external cause
Y380X1	Terrorism involving explosion of marine weapons, public safety official injured	Work-related external cause
Y381X1	Terrorism involving destruction of aircraft, public safety official injured	Work-related external cause
Y382X1	Terrorism involving other explosions and fragments, public safety official injured	Work-related external cause
Y383X1	Terrorism involving fires, conflagration and hot substances, public safety official injured	Work-related external cause
Y384X1	Terrorism involving firearms, public safety official injured	Work-related external cause
Y385X1	Terrorism involving nuclear weapons, public safety official injured	Work-related external cause
Y386X1	Terrorism involving biological weapons, public safety official injured	Work-related external cause
Y387X1	Terrorism involving chemical weapons, public safety official injured	Work-related external cause
Y38811	Terrorism involving suicide bomber, public safety official injured	Work-related external cause
Y38891	Terrorism involving other means, public safety official injured	Work-related external cause
Y389X1	Terrorism, secondary effects, public safety official injured	Work-related external cause
Y926	Industrial and construction area as the place of occurrence of the external cause	Work-related external cause
Y927	Farm as the place of occurrence of the external cause	Work-related external cause / suspected agricultural case
Y9286	Slaughter house as the place of occurrence of the external cause	Work-related external cause
Y9381	Activity, refereeing a sports activity	Work-related external cause
Y93H3	Activity, building and construction	Work-related external cause
Y93H9	Activity, other involving exterior property and land maintenance, building and construction	Work-related external cause

Included ICD-10-CM codes

Code	Description	Definition(s) from source literature
Y93K2	Activity, milking an animal	Work-related external cause / true agricultural case
Y93K3	Activity, grooming and shearing an animal	Work-related external cause / suspected agricultural case
Y990	Civilian activity done for income or pay	Work-related external cause

Excluded ICD-10-CM codes

Code	Code description	Reason for exclusion
V9000	Drowning and submersion due to merchant ship overturning	Possible non-working passenger on vessel
V9010	Drowning and submersion due to merchant ship sinking	Possible non-working passenger on vessel
V9020	Drowning and submersion due to falling or jumping from burning merchant ship	Possible non-working passenger on vessel
V9030	Drowning and submersion due to falling or jumping from crushed merchant ship	Possible non-working passenger on vessel
V9080	Drowning and submersion due to other accident to merchant ship	Possible non-working passenger on vessel
V9100	Burn due to merchant ship on fire	Possible non-working passenger on vessel
V9110	Crushed between merchant ship and other watercraft or other object due to collision	Possible non-working passenger on vessel
V9120	Fall due to collision between merchant ship and other watercraft or other object	Possible non-working passenger on vessel
V9130	Hit or struck by falling object due to accident to merchant ship	Possible non-working passenger on vessel
V9180	Other injury due to other accident to merchant ship	Possible non-working passenger on vessel
V9200	Drowning and submersion due to fall off merchant ship	Possible non-working passenger on vessel
V9210	Drowning and submersion due to being thrown overboard by motion of merchant ship	Possible non-working passenger on vessel
V9220	Drowning and submersion due to being washed overboard from merchant ship	Possible non-working passenger on vessel
V9300	Burn due to localized fire on board merchant vessel	Possible non-working passenger on vessel
V9310	Other burn on board merchant vessel	Possible non-working passenger on vessel
V9320	Heat exposure on board merchant ship	Possible non-working passenger on vessel
V9330	Fall on board merchant ship	Possible non-working passenger on vessel
V9340	Struck by falling object on merchant ship	Possible non-working passenger on vessel
V9350	Explosion on board merchant ship	Possible non-working passenger on vessel
V9360	Machinery accident on board merchant ship	Possible non-working passenger on vessel
V9380	Other injury due to other accident on board merchant ship	Possible non-working passenger on vessel
V8604	Driver of military vehicle injured in traffic accident	Military retirement age of 64
V8614	Passenger of military vehicle injured in traffic accident	Military retirement age of 64
V8644	Person injured while boarding or alighting from military vehicle	Military retirement age of 64
V8654	Driver of military vehicle injured in nontraffic accident	Military retirement age of 64
V8664	Passenger of military vehicle injured in nontraffic accident	Military retirement age of 64
Y36000	War operations involving explosion of unspecified marine weapon, military personnel	Military retirement age of 64
Y36010	War operations involving explosion of depth-charge, military personnel	Military retirement age of 64
Y36020	War operations involving explosion of marine mine, military personnel	Military retirement age of 64

Excluded ICD-10-CM codes

Code	Code description	Reason for exclusion
Y36030	War operations involving explosion of sea-based artillery shell, military personnel	Military retirement age of 64
Y36040	War operations involving explosion of torpedo, military personnel	Military retirement age of 64
Y36050	War operations involving accidental detonation of onboard marine weapons, military personnel	Military retirement age of 64
Y36090	War operations involving explosion of other marine weapons, military personnel	Military retirement age of 64
Y36100	War operations involving unspecified destruction of aircraft, military personnel	Military retirement age of 64
Y36110	War operations involving destruction of aircraft due to enemy fire or explosives, military personnel	Military retirement age of 64
Y36120	War operations involving destruction of aircraft due to collision with other aircraft, military personnel	Military retirement age of 64
Y36130	War operations involving destruction of aircraft due to onboard fire, military personnel	Military retirement age of 64
Y36140	War operations involving destruction of aircraft due to accidental detonation of onboard munitions and explosives, military personnel	Military retirement age of 64
Y36190	War operations involving other destruction of aircraft, military personnel	Military retirement age of 64
Y36200	War operations involving unspecified explosion and fragments, military personnel	Military retirement age of 64
Y36210	War operations involving explosion of aerial bomb, military personnel	Military retirement age of 64
Y36220	War operations involving explosion of guided missile, military personnel	Military retirement age of 64
Y36230	War operations involving explosion of improvised explosive device, military personnel	Military retirement age of 64
Y36240	War operations involving explosion due to accidental detonation and discharge of own munitions or munitions launch device, military personnel	Military retirement age of 64
Y36250	War operations involving fragments from munitions, military personnel	Military retirement age of 64
Y36260	War operations involving fragments of improvised explosive device, military personnel	Military retirement age of 64
Y36270	War operations involving fragments from weapons, military personnel	Military retirement age of 64
Y36290	War operations involving other explosions and fragments, military personnel	Military retirement age of 64
Y36300	War operations involving unspecified fire, conflagration and hot substance, military personnel	Military retirement age of 64

Excluded ICD-10-CM codes

Code	Code description	Reason for exclusion
Y36310	War operations involving gasoline bomb, military personnel	Military retirement age of 64
Y36320	War operations involving incendiary bullet, military personnel	Military retirement age of 64
Y36330	War operations involving flamethrower, military personnel	Military retirement age of 64
Y36390	War operations involving other fires, conflagrations and hot substances, military personnel	Military retirement age of 64
Y36410	War operations involving rubber bullets, military personnel	Military retirement age of 64
Y36420	War operations involving firearms pellets, military personnel	Military retirement age of 64
Y36430	War operations involving other firearms discharge, military personnel	Military retirement age of 64
Y36440	War operations involving unarmed hand to hand combat, military personnel	Military retirement age of 64
Y36450	War operations involving combat using blunt or piercing object, military personnel	Military retirement age of 64
Y36460	War operations involving intentional restriction of air and airway, military personnel	Military retirement age of 64
Y36470	War operations involving unintentional restriction of air and airway, military personnel	Military retirement age of 64
Y36490	War operations involving other forms of conventional warfare, military personnel	Military retirement age of 64
Y36500	War operations involving unspecified effect of nuclear weapon, military personnel	Military retirement age of 64
Y36510	War operations involving direct blast effect of nuclear weapon, military personnel	Military retirement age of 64
Y36520	War operations involving indirect blast effect of nuclear weapon, military personnel	Military retirement age of 64
Y36530	War operations involving thermal radiation effect of nuclear weapon, military personnel	Military retirement age of 64
Y36540	War operations involving nuclear radiation effects of nuclear weapon, military personnel	Military retirement age of 64
Y36590	War operations involving other effects of nuclear weapons, military personnel	Military retirement age of 64
Y366X0	War operations involving biological weapons, military personnel	Military retirement age of 64
Y367X0	War operations involving chemical weapons and other forms of unconventional warfare, military personnel	Military retirement age of 64
Y36810	Explosion of mine placed during war operations but exploding after cessation of hostilities, military personnel	Military retirement age of 64

Excluded ICD-10-CM codes

Code	Code description	Reason for exclusion
Y36820	Explosion of bomb placed during war operations but exploding after cessation of hostilities, military personnel	Military retirement age of 64
Y36880	Other war operations occurring after cessation of hostilities, military personnel	Military retirement age of 64
Y36890	Unspecified war operations occurring after cessation of hostilities, military personnel	Military retirement age of 64
Y37000	Military operations involving explosion of unspecified marine weapon, military personnel	Military retirement age of 64
Y37010	Military operations involving explosion of depth-charge, military personnel	Military retirement age of 64
Y37020	Military operations involving explosion of marine mine, military personnel	Military retirement age of 64
Y37030	Military operations involving explosion of sea-based artillery shell, military personnel	Military retirement age of 64
Y37040	Military operations involving explosion of torpedo, military personnel	Military retirement age of 64
Y37050	Military operations involving accidental detonation of onboard marine weapons, military personnel	Military retirement age of 64
Y37090	Military operations involving explosion of other marine weapons, military personnel	Military retirement age of 64
Y37100	Military operations involving unspecified destruction of aircraft, military personnel	Military retirement age of 64
Y37110	Military operations involving destruction of aircraft due to enemy fire or explosives, military personnel	Military retirement age of 64
Y37120	Military operations involving destruction of aircraft due to collision with other aircraft, military personnel	Military retirement age of 64
Y37130	Military operations involving destructions of aircraft due to onboard fire, military personnel	Military retirement age of 64
Y37140	Military operations involving destruction of aircraft due to accidental detonation of onboard munitions and explosives, military personnel	Military retirement age of 64
Y37190	Military operations involving other destruction of aircraft, military personnel	Military retirement age of 64
Y37200	Military operations involving unspecified explosion and fragments, military personnel	Military retirement age of 64
Y37210	Military operations involving explosion of aerial bomb, military personnel	Military retirement age of 64
Y37220	Military operations involving explosion of guided missile, military personnel	Military retirement age of 64

Excluded ICD-10-CM codes

Code	Code description	Reason for exclusion
Y37230	Military operations involving explosion of improvised explosive device, military personnel	Military retirement age of 64
Y37240	Military operations involving explosion due to accidental detonation and discharge of own munitions or munitions launch device, military personnel	Military retirement age of 64
Y37250	Military operations involving fragments from munitions, military personnel	Military retirement age of 64
Y37260	Military operations involving fragments of improvised explosive device, military personnel	Military retirement age of 64
Y37270	Military operations involving fragments from weapons, military personnel	Military retirement age of 64
Y37290	Military operations involving other explosions and fragments, military personnel	Military retirement age of 64
Y37300	Military operations involving unspecified fire, conflagration and hot substance, military personnel	Military retirement age of 64
Y37310	Military operations involving gasoline bomb, military personnel	Military retirement age of 64
Y37320	Military operations involving incendiary bullet, military personnel	Military retirement age of 64
Y37330	Military operations involving flamethrower, military personnel	Military retirement age of 64
Y37390	Military operations involving other fires, conflagrations and hot substances, military personnel	Military retirement age of 64
Y37410	Military operations involving rubber bullets, military personnel	Military retirement age of 64
Y37420	Military operations involving firearms pellets, military personnel	Military retirement age of 64
Y37430	Military operations involving other firearms discharge, military personnel	Military retirement age of 64
Y37440	Military operations involving unarmed hand to hand combat, military personnel	Military retirement age of 64
Y37450	Military operations involving combat using blunt or piercing object, military personnel	Military retirement age of 64

Y37470	Military operations involving unintentional restriction of air and airway, military personnel	Military retirement age of 64
Y37490	Military operations involving other forms of conventional warfare, military personnel	Military retirement age of 64
Y37500	Military operations involving unspecified effect of nuclear weapon, military personnel	Military retirement age of 64
Y37510	Military operations involving direct blast effect of nuclear weapon, military personnel	Military retirement age of 64

Excluded ICD-10-CM codes

Code	Code description	Reason for exclusion
Y37520	Military operations involving indirect blast effect of nuclear weapon, military personnel	Military retirement age of 64
Y37530	Military operations involving thermal radiation effect of nuclear weapon, military personnel	Military retirement age of 64
Y37540	Military operations involving nuclear radiation effects of nuclear weapon, military personnel	Military retirement age of 64
Y37590	Military operation involving other effects of nuclear weapons, military personnel	Military retirement age of 64
Y376X0	Military operations involving biological weapons, military personnel	Military retirement age of 64
Y377X0	Military operations involving chemical weapons and other forms of unconventional warfare, military personnel	Military retirement age of 64
Y9213	Military base as the place of occurrence of the external cause	Military retirement age of 64
Y9284	Military training ground as the place of occurrence of the external cause	Military retirement age of 64
Y991	Military activity	Military retirement age of 64
W90	Exposure to non-ionizing radiation	Use in cancer treatment
V9540	Unspecified spacecraft accident injuring occupant	Space/spacecraft
V9541	Spacecraft crash injuring occupant	Space/spacecraft
V9542	Forced landing of spacecraft injuring occupant	Space/spacecraft
V9543	Spacecraft collision injuring occupant	Space/spacecraft
V9544	Spacecraft fire injuring occupant	Space/spacecraft
V9545	Spacecraft explosion injuring occupant	Space/spacecraft
V9549	Other spacecraft accident injuring occupant	Space/spacecraft
X52	Prolonged stay in weightless environment	Space/spacecraft
