Pediatric Endoscopy Quality Improvement Network (PEnQuIN)  
Quality Standards and Indicators for Pediatric Endoscopists and Endoscopists in Training:  
A Joint NASPGHAN/ESPGHAN Guideline

# Supplementary Appendix 1

**Table 1:** Eliminated standards and indicators in the Endoscopist and Endoscopist in Training domain

Statement	Domain
<b>Standards</b>	
Endoscopists who perform procedures on pediatric patients should aim to perform a minimum number of procedures per year*, specified by procedure type.	Endoscopists and Endoscopists in Training
Endoscopists performing procedures on pediatric patients should track the number of diagnostic procedures which lead to a change in patient management	Endoscopists and Endoscopists in Training
<b>Indicators</b>	
Withdrawal time	Endoscopists and Endoscopists in Training
Adenoma detection rate	Endoscopists and Endoscopists in Training
Polyp detection rate	Endoscopists and Endoscopists in Training
Polyp retrieval rate	Endoscopists and Endoscopists in Training
Interval cancer incidence	Endoscopists and Endoscopists in Training

\*Number not discussed as standard did not reach consensus
