

# Confidence Survey - Pre Curricula (Junior Resident)

---

Start of Block: Default Question Block

Q0 My alpha-numeric identifier is:

---

Q1 1. I spent \_\_\_ weeks doing neurology rotations during my intern year

- A. 2 or fewer (1)
  - B. 2-4 (2)
  - C. 4-8 (3)
  - D. >8 (4)
- 

Q2 2. I cared for stroke patients during my intern year

- A. Yes, a handful of times (1)
  - B. Yes, on a regular basis (2)
  - C. No (3)
-

Q3 3. I have completed an NIHSS for a patient that was being evaluated for an acute ischemic event

A. Yes (1)

B. No (2)

---

Page Break

Q5 Using the follow Scale:

**1- Not at all confident [I would want direct supervision]**

2- Slightly more than "Not at All"

3- Slightly less than "Somewhat"

**4- Somewhat confident [I could initiate care independently, but would want backup]**

5- Slightly more than "Somewhat"

6- Slightly less than "Extremely"

**7 - Extremely Confident [I could manage independently]**

Please rate how prepared you feel to complete or manage the following:

	Not At All Confident 1 (1)	2 (2)	3 (3)	Somewhat Confident 4 (4)	5 (5)	6 (6)	Extremely Confident 7 (7)
1. Calculating an NIHSS (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
2. Recognizing an MCA syndrome (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
3. Consenting a patient for tPA (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
4. Dosing and administering tPA (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
5. Identifying an M1 cut off on CTA (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
6. Calculating an ASPECT Score (6)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
7. Identifying perfusion mismatch on CTP (7)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
8. Identifying which patients should be considered for mechanical thrombectomy (8)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
9. Formulating a differential diagnosis for the cause of neurologic worsening after tPA administration (9)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
10. Managing tPA related hemorrhage (10)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

11. Recognizing and managing a blood-pressure dependent exam (11)

12. Initiating the workup of coma of unknown etiology (12)

13. Recognizing signs of a basilar artery occlusion (13)

---

Q6 Using the follow Scale:

**1- Not at all confident [I would want direct supervision]**

2- Slightly more than "Not at All"

3- Slightly less than "Somewhat"

**4- Somewhat confident [I could initiate care independently, but would want backup]**

5- Slightly more than "Somewhat"

6- Slightly less than "Extremely"

**7 - Extremely Confident [I could manage independently]**

Please rate how prepared you feel to complete or manage the following:

	Not at all Confident 1 (1)	2 (2)	3 (3)	Somewhat Confident 4 (4)	5 (5)	6 (6)	Extremely Confident 7 (7)
1. Approach to the Comatose Patient (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
2. Intracranial Hypertension and Herniation (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
3. Airway, Ventilation and Sedation {for the Neurocritically Ill Patient} (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
4. Resuscitation Following Cardiac Arrest (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
5. Acute Non-Traumatic Weakness (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
6. Acute Ischemic Stroke (6)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
7. Intracerebral Hemorrhage (7)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
8. Subarachnoid Hemorrhage (8)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
9. Traumatic Brain Injury (9)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
10. Traumatic Spinal Cord Injury (10)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
11. Spinal Cord Compression (11)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
12. Status Epilepticus (12)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

13. Meningitis and  
Encephalitis (13)
