

## PRSJournal.com tip of the month: Personal Collections

Are you using [PRSJournal.com](http://PRSJournal.com) to its fullest potential?

Store and organize your favorite PRS manuscripts in convenient collections. When reading an article, click **“Add to My Favorites”** to instantly add it to your personal PRS library.

The screenshot shows the article page for "Three-Dimensional Nipple-Areola Tattooing: A New Technique with Superior Results" in Plastic and Reconstructive Surgery. The "Article Tools" menu is open, and a red arrow points to the "Add to My Favorites" option. Other options in the menu include "Article as PDF (344 KB)", "Article as EPUB", "Print this Article", "Export to Citation Manager", "Alert Me When cited", and "Request Permissions". The "Images" section includes "View Images in Gallery" and "View Images in Slideshow".

Access your collection of favorites by clicking **“My Favorites”** under the **“Person Icon”** on the [PRSJournal.com](http://PRSJournal.com) homepage!

The screenshot shows the PRSJournal.com homepage. A red arrow points to the user icon in the top right corner, which has a dropdown menu open. The menu options are "My Account", "My Favorites", "Saved Searches", and "Recent Searches". The "My Favorites" option is highlighted. The background shows the same article page as the previous screenshot.

As a friendly reminder, you must be logged in to utilize this feature.
