

PLASTIC SURGERY RESEARCH FELLOWSHIPS

<https://is.gd/PRSResearchFellowships>

Program	Program Directors	Type of Research Conducted	Research Focus	Additional Fellowship Components	Funding	Positions	Eligible applicants	Application Requirements
Albany Medical Center Plastic Surgery Research Fellowship	Joseph Ricci Ashit Patel	Clinical Translational Anatomy	Aesthetic Breast Burn Craniofacial General PRS Hand Microsurgery Pediatric	Clinical Shadowing OR Shadowing Course work Idea/project development IRB development Large database maintenance Mentorship Microsurgical training course	No	2	Allopathic and osteopathic US and international medical students and graduates, general surgery, plastic surgery, and other surgical residents	LOR CV Institutional statement of good standing Step 1 Step 2
Children's Hospital of Philadelphia Clinical Research Fellowship	Jesse Taylor Jordan Swanson	Clinical	Craniofacial Pediatric	Course work Idea/project development IRB development Large database management Lecture/didactics Mentorship	Yes	2	US and international allopathic and osteopathic medical students and graduates, general surgery, plastic surgery, and other surgical residents	Personal statement CV
Cleveland Clinic Integrated Plastic Surgery Residency	Steven Bernard Graham Schwarz Jim Zins Frank Papay Christi Cavaliere Bahar Bassiri	Basic Science Clinical Translational	Aesthetic Breast Craniofacial General PRS Microsurgery Pediatric Wound Care	Clinical Shadowing OR Shadowing Course work Idea/Project development IRB development Mentorship	Yes	2	College students and graduates allopathic, osteopathic US and international medical students and graduates, general surgery, plastic surgery, and other surgical residents	LOR Institutional statement of good standing

Department of Plastic and Oral Surgery Research Laboratory, Boston Children's Hospital	Arin Greene	Basic Science Clinical Translational	Pediatric Vascular anomalies Lymphedema	Clinical Shadowing OR Shadowing Course work Idea/project development IRB Development Large database management Lecture/didactics Mentorship	Yes	1	Allopathic US and osteopathic US and international medical students and graduates, general surgery, plastic surgery, and other surgical residents	Personal statement LOR CV
Gosain Lab of the Advanced Care for Translational and Genetic Medicine (section of Stanley Manne Research Institute)	Arun Gosain	Basic Science Clinical Translational	Breast Craniofacial General PRS Pediatric	Clinical Shadowing OR shadowing Idea/project development IRB development Lecture/didactics Mentorship	Yes	2	College students and graduates, US allopathic and osteopathic medical students, general surgery residents, plastic surgery residents	Personal statement LOR CV
Loma Linda University Plastic Surgery Student Research Fellowship	Subhas Gupta	Clinical Translational	Aesthetic Breast Global Surgery Hand Microsurgery Wound Care	Clinical Shadowing OR Shadowing Idea/project development IRB Development Lecture/Didactics Mentorship	Yes	1	Allopathic US and international medical students and graduates, general surgery and plastic surgery residents	Personal Statement LOR CV Institutional statement of good standing Step 1
Louisiana State University Plastic Surgery Residency	Charles Dupin Gerhard Mundinger	Basic science Clinical Translational	Craniofacial Microsurgery Pediatric Transgender surgery Wound Care	Clinical Shadowing OR Shadowing Course work Idea/project development IRB development Large database management Lecture/didactics Mentorship	Yes	1	US allopathic medical students, general surgery, plastic surgery, and other surgical residents	LOR

MedStar Georgetown University Hospital	Stephen B Baker Grant Kleiber	Clinical Translational	Aesthetic Breast Craniofacial General PRS Microsurgery Pediatric Transgender surgery Wound Care Health services	Clinical Shadowing OR shadowing Course work Idea/project development IRB development Large database management Lecture/didactics Mentorship	Yes	2	US allopathic and osteopathic medical students, general surgery, plastic surgery, and other surgical residents	Personal statement LOR CV Institutional statement of good standing
Mount Sinai Plastic and Reconstructive Surgery	Peter J. Taub	Basic Science Clinical Translational		Clinical Shadowing Idea/project development IRB development Large database management	Yes	1	College students and graduates allopathic, osteopathic US and international medical students and graduates, general surgery, plastic surgery, and other surgical residents	No application
NYU Plastic Surgery	Pierre Saadeh Vishal Thanik	Clinical	Craniofacial Hand Surgery Microsurgery		Yes	5	College graduates, US allopathic medical students, International medical students, general surgery residents, plastic surgery residents	Personal statement LOR CV Institutional statement of good standing Step 1
Penn Plastic Surgery Clinical Research Fellowship	John Fischer	Clinical Translational	Aesthetic Breast General PRS Microsurgery Wound Care	Clinical Shadowing OR shadowing Course work Idea/project development IRB development Large database management Lecture/didactics Mentorship	Yes	2	College graduates, US allopathic medical students, general surgery, plastic surgery, and other surgical residents	Personal statement LOR CV Institutional statement of good standing

Pittsburgh Craniofacial Research	Jesse Goldstein	Basic Science Clinical Translational	Craniofacial Pediatric	Clinical Shadowing OR Shadowing Idea/project development IRB Development Large database management Mentorship	Yes	1	College graduates US allopathic and osteopathic medical students, international medical students and graduates, general surgery and plastic surgery residents	No application
UCLA Craniofacial Outcomes Research Team/Craniofacial Regeneration Laboratory	Justine Lee	Basic Science Clinical	Craniofacial Transgender surgery Other	Clinical Shadowing OR shadowing Idea/project development IRB development Large database management Lecture/ didactics Mentorship	No		College graduates, US allopathic medical students, general surgery residents, plastic surgery residents	LOR CV
University of Kentucky Integrated Program in Plastic Surgery	Lesley Wong	Basic science Clinical Translational	Aesthetic Breast Craniofacial General PRS Global surgery Hand Microsurgery Pediatric Transgender surgery Wound Care	Clinical Shadowing Course work Idea/project development IRB development Large database management Lecture/didactics Mentorship	No	1	General surgery, plastic surgery, and other surgical residents	Personal statement LOR CV Institutional statement of good standing
University of Virginia		Basic Science Clinical Translational	Craniofacial General PRS Hand	Clinical Shadowing OR shadowing IRB development Mentorship	Yes	1	US allopathic medical students, International medical students and graduates, general surgery residents, general surgery, plastic surgery, and other surgical residents	Personal statement LOR CV Institutional statement of good standing

Vanderbilt Department of Plastic Surgery	Salam Kassis	Basic science Clinical Translational	Aesthetic Breast Burn Craniofacial General PRS Global Surgery Hand Microsurgery Pediatric Transgender surgery Wound Care Migraine surgery, Neuroimagin g, peripheral nerve surgery, lymphedema surgery	Clinical Shadowing OR Shadowing Course work Idea/project development IRB development Large database management Lecture/didactics Mentorship Scribing	Yes	1	College graduates, US and international allopathic and osteopathic medical students and graduates, general surgery, plastic surgery, and other surgical residents	Personal statements LOR CV Institutional statement of good standing Step 1 Step 2
Wake Forest Department of Plastic & Reconstructive Surgery	Lisa David Christopher Runyan	Basic Science Clinical Translational	Breast Burn Craniofacial General PRS Global Surgery Hand Microsurgery Pediatric Wound Care	Clinical Shadowing OR shadowing Idea/project development IRB development Large database management Lecture/didactics Mentorship	Yes	1	US allopathic medical students, general surgery, plastic surgery, and other surgical residents	Personal statement LOR CV Institutional statement of good standing Step 1 Step 2
Washington University in St. Louis	Kamlesh Patel	Clinical	Craniofacial		Yes	1	Allopathic US medical students Plastic surgery residents	CV
