

Plastic Surgery References in Popular Music

There is a growing dialogue about plastic surgery (PS) on social media, mirroring the increase in plastic surgery procedures over the past few years

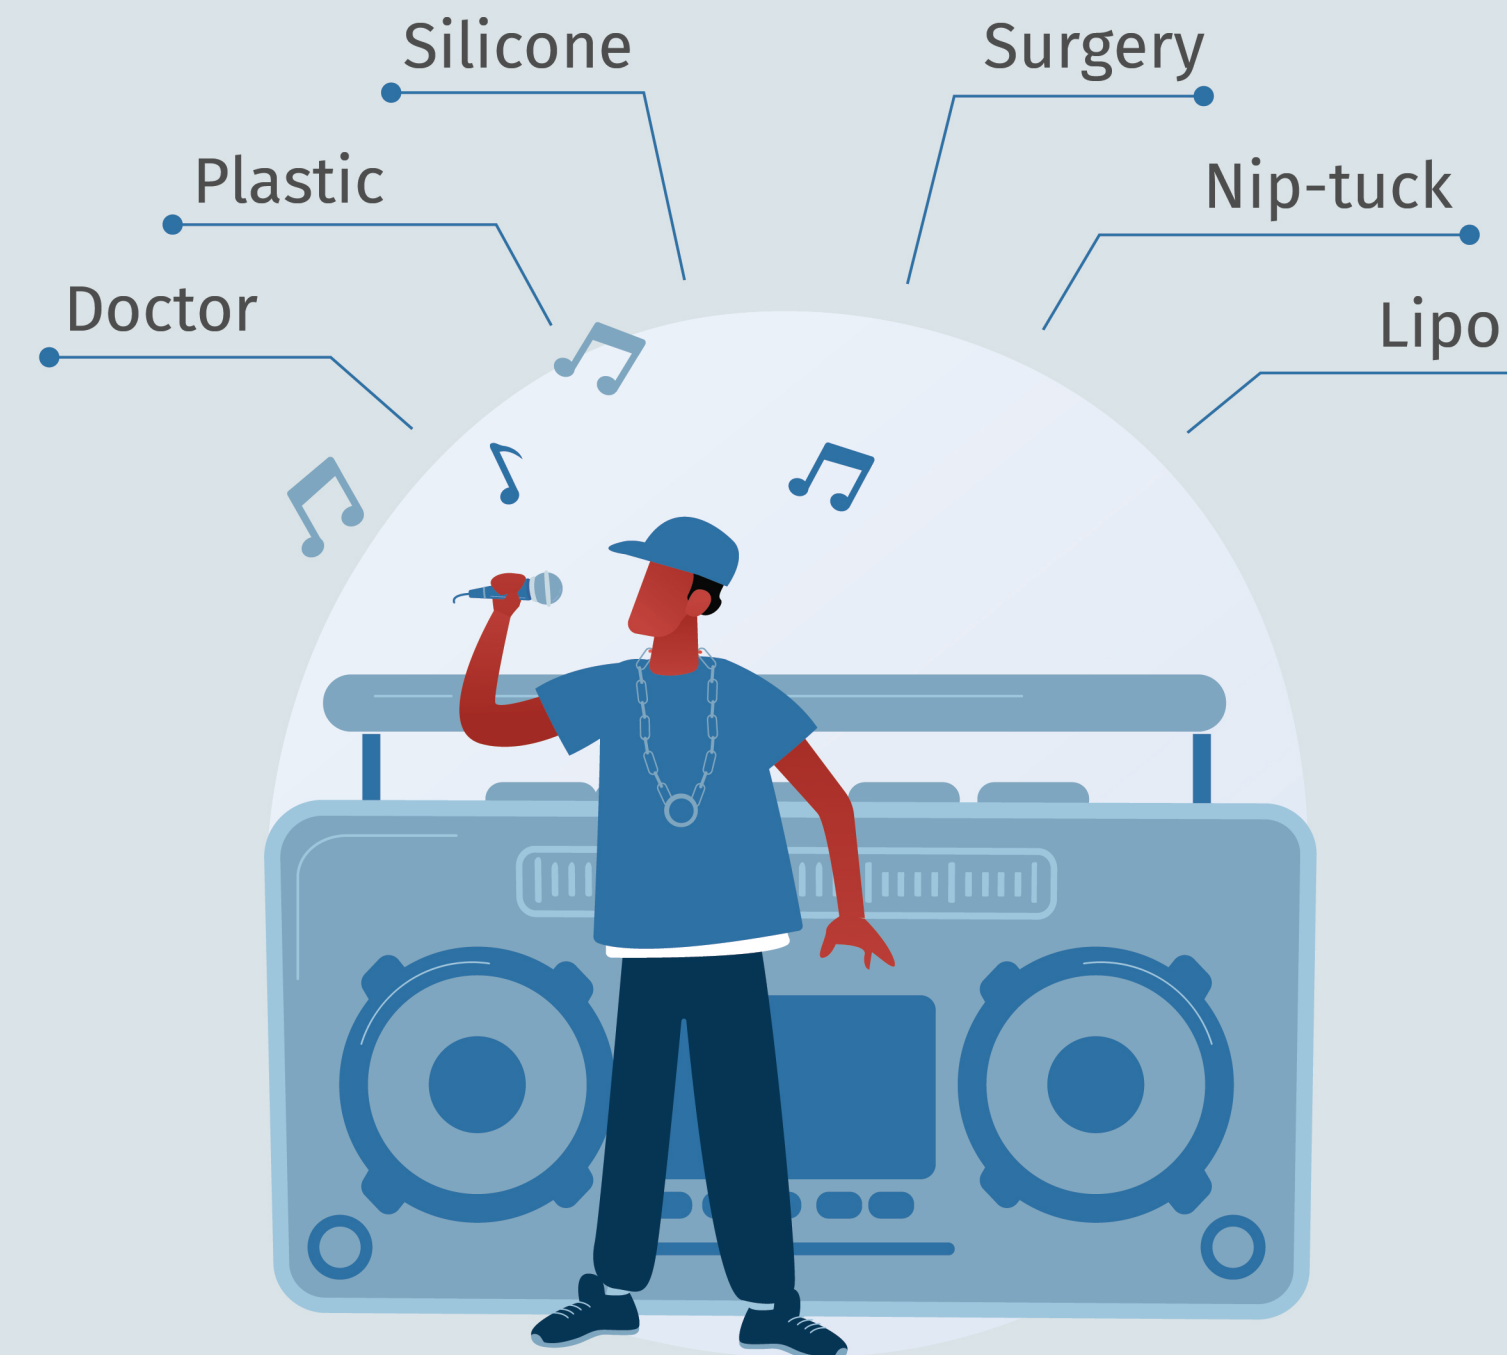

Since music also serves as a conduit for cultural expression, PS references could be increasing in music as well

Overall **8550** songs analyzed > **15-fold** increase in usage of PS-Rt from 1969/1970 to 2019

Most often mentioned PS-Rt
