

Appendix 2. FOR-DMD collaborators

Name	Location	Role	Contribution
Michela Guglieri, MD	John Walton Muscular Dystrophy Research Centre, Newcastle University	Co-Principal Investigator	Study design, analysis and interpretation of data, study oversight
Kate Bushby, MD	John Walton Muscular Dystrophy Research Centre, Newcastle University	Initial Co-Principal Investigator	Study concept and design, study oversight
Rabi Tawil, MD	University of Rochester, Rochester, NY	Steering Committee	Study concept and design
Barbara E. Herr, MS	University of Rochester, Rochester, NY	Steering Committee	Study concept and design, securing trial funding
Elaine McColl, PhD	John Walton Muscular Dystrophy Research Centre, Newcastle University	Steering Committee	Study concept and design, study supervision and coordination in UK
Janbernd Kirschner, MD	Medical Center-University of Freiburg, Germany	Steering Committee; Site Investigator	Study concept and design, study coordination in Germany, data acquisition
Sabine Schneider-Fuchs, PhD	Medical Center-University of Freiburg, Germany	Project Manager	Study coordination in Germany
Mary W. Brown, MS, RN	University of Rochester, Rochester, NY	Steering Committee	Study database creation and oversight
Tracey Willis, MD, PhD	Robert Jones & Agnes Hunt Orthopedic Hospital, Oswestry	Medical Monitor	Review and advise on trial medical safety issues
Emma Ciafaloni, MD	University of Rochester, Rochester, NY	Site Investigator	Data acquisition
Katy Eichinger, PhD, PT	University of Rochester, Rochester, NY	Site Physiotherapist	Data acquisition
Debra Guntrum, MS, FNP	University of Rochester, Rochester, NY	Site Coordinator	Data acquisition, trial coordination
Volker Straub, MD, PhD	Clinical Research Centre, Newcastle University	Site Investigator	Data acquisition
Henriette van Ruiten, MD	Clinical Research Centre, Newcastle University	Site Sub-Investigator	Data acquisition
Anna Mayhew, PT	Clinical Research Centre, Newcastle University	Site Physiotherapist	Data acquisition
Anne-Marie Childs, MRCP, FRCPCH	Leeds Teaching Hospitals, Leeds	Site Investigator	Data acquisition
Lindsey Pallant, PT	Leeds Teaching Hospitals, Leeds	Site Physiotherapist	Data acquisition
Neil Hall	Leeds Teaching Hospitals, Leeds	Site Coordinator	Data acquisition, trial coordination
Asyah Chhibda	Leeds Teaching Hospitals, Leeds	Site Coordinator	Data acquisition, trial coordination
Perry B. Shieh, MD, PhD	University of California, Los Angeles	Site Investigator	Data acquisition
Loretta Staudt, MS, PT	University of California, Los Angeles	Site Physiotherapist	Data acquisition
Ummulwara Qasim	University of California, Los Angeles	Site Coordinator	Data acquisition, trial coordination
Stefan Spinty, MRCPCH, MMedSc	Alder Hey Children's Hospital, Liverpool	Site Investigator	Data acquisition
Caroline Charlesworth, MRCPCH	Alder Hey Children's Hospital, Liverpool	Site Sub-Investigator	Data acquisition
Allison Shillington, PT	Alder Hey Children's Hospital, Liverpool	Site Physiotherapist	Data acquisition
Lisa Hughes	Alder Hey Children's Hospital, Liverpool	Site Coordinator	Data acquisition, trial coordination
Russell J. Butterfield, MD, PhD	University of Utah Medical Center, Salt Lake City	Site Investigator	Data acquisition
Melissa McIntyre, DPT	University of Utah Medical Center, Salt Lake City	Site Physiotherapist	Data acquisition
Becky Crockett	University of Utah Medical Center, Salt Lake City	Site Coordinator	Data acquisition, trial coordination
Iain Horrocks, MRCPCH	Greater Glasgow and Clyde NHS Yorkhill Hospital, Glasgow	Site Investigator	Data acquisition
Marina Di Marco, PT	Greater Glasgow and Clyde NHS Yorkhill Hospital, Glasgow	Site Physiotherapist	Data acquisition

Name	Location	Role	Contribution
Jennifer Dunne	Greater Glasgow and Clyde NHS Yorkhill Hospital, Glasgow	Site Coordinator	Data acquisition, trial coordination
Helen Roper, MD, FRCPCH	Birmingham Heartlands Hospital, Birmingham	Site Investigator	Data acquisition
Zoya Alhaswani, MD	Birmingham Heartlands Hospital, Birmingham	Site Investigator	Data acquisition
Heather McMurchie, PT	Birmingham Heartlands Hospital, Birmingham	Site Physiotherapist	Data acquisition
Alison Watson, Ped. Research Nurse	Birmingham Heartlands Hospital, Birmingham	Site Coordinator	Data acquisition, trial coordination
Giovanni Baranello, MD	Fondazione IRCCS Istituto Neurologico Carlo Besta, Milan	Site Investigator	Data acquisition
Lorenzo Maggi, MD	Fondazione IRCCS Istituto Neurologico Carlo Besta, Milan	Site Investigator	Data acquisition
Maria Teresa Arnoldi, PT	Fondazione IRCCS Istituto Neurologico Carlo Besta, Milan	Site Physiotherapist	Data acquisition
Angela Campanella	Fondazione IRCCS Istituto Neurologico Carlo Besta, Milan	Site Coordinator	Data acquisition, trial coordination
Kevin M. Flanigan, MD	Nationwide Children's Hospital, Columbus	Site Investigator	Data acquisition
Natalie F. Miller, DPT	Nationwide Children's Hospital, Columbus	Site Physiotherapist	Data acquisition
Allie Fenter	Nationwide Children's Hospital, Columbus	Site Coordinator	Data acquisition, trial coordination
Nancy L. Kuntz, MD	Ann & Robert H. Lurie Children's Hospital, Chicago	Site Investigator	Data acquisition
Colleen Blomgren, PT	Ann & Robert H. Lurie Children's Hospital, Chicago	Site Physiotherapist	Data acquisition
Carolyn Hyson, PT	Ann & Robert H. Lurie Children's Hospital, Chicago	Site Physiotherapist	Data acquisition
Theresa Oswald, MS	Ann & Robert H. Lurie Children's Hospital, Chicago	Site Coordinator	Data acquisition, trial coordination
Adnan Y. Manzur, FRCPCH	Great Ormond Street Hospital, London, UK	Site Investigator	Data acquisition
Francesco Muntoni, MD	Great Ormond Street Hospital, London, UK	Site Investigator	Data acquisition
Jordan Butler, PT	Great Ormond Street Hospital, London, UK	Site Physiotherapist	Data acquisition
Hinal Patel	Great Ormond Street Hospital, London, UK	Site Coordinator	Data acquisition, trial coordination
Basil T. Darras, MD	Boston Children's Hospital	Site Investigator	Data acquisition
Amy Pasternak, PT	Boston Children's Hospital	Site Physiotherapist	Data acquisition
Audrey Ellis	Boston Children's Hospital	Site Coordinator	Data acquisition, trial coordination
Jean K. Mah, MD, MSc	University of Calgary, Calgary	Site Investigator	Data acquisition
Angela Chiu, PT	Alberta Children's Hospital, Calgary	Site Physiotherapist	Data acquisition
Natalia Rincon, MSc	Alberta Children's Hospital, Calgary	Site Coordinator	Data acquisition, trial coordination
Tiziana Mongini, MD	AOU Citta della Salute e della Scienza, Turin	Site Investigator	Data acquisition
Enrica Rolle, PT	AOU Citta della Salute e della Scienza, Turin	Site Physiotherapist	Data acquisition
Federica Ricci	AOU Citta della Salute e della Scienza, Turin	Site Coordinator	Data acquisition, trial coordination
Leslie Morrison, MD	University of New Mexico, Albuquerque	Site Investigator	Data acquisition
Guangbin Xia, MD, PhD	University of New Mexico, Albuquerque	Site Investigator	Data acquisition
Kathy Dieruf, PT	University of New Mexico, Albuquerque	Site Physiotherapist	Data acquisition
MacKenzie Cox	University of New Mexico, Albuquerque	Site Coordinator	Data acquisition, trial coordination
Maja von der Hagen, MD	Children's Hospital, Technical University Dresden	Site Investigator	Data acquisition
Ilka Lehnert, PT	Children's Hospital, Technical University Dresden	Site Physiotherapist	Data acquisition
Katja Uhlitzsch	Children's Hospital, Technical University Dresden	Site Coordinator	Data acquisition, trial coordination

Name	Location	Role	Contribution
Richard S. Finkel, MD	Nemours Children's Hospital, Orlando	Site Investigator	Data acquisition
Matt Civitello, PT	Nemours Children's Hospital, Orlando	Site Physiotherapist	Data acquisition
Melisa Vega	Nemours Children's Hospital, Orlando	Site Coordinator	Data acquisition, trial coordination
Hector Omar Oquendo	Nemours Children's Hospital, Orlando	Site Coordinator	Data acquisition, trial coordination
Craig M. McDonald, MD	University of California, Davis	Site Investigator	Data acquisition
Erik Henricson, PhD	University of California, Davis	Site Sub-Investigator	Data acquisition
Alina Nicorici, BS	University of California, Davis	Site Physiotherapist	Data acquisition
Randev Sandhu, BS	University of California, Davis	Site Coordinator	Data acquisition, trial coordination
Erica Goude, MS	University of California, Davis	Site Coordinator	Data acquisition, trial coordination
Ulrike Schara, MD, PhD	University of Essen, Germany	Site Investigator	Data acquisition
Andrea Gangfuss, MD	University of Essen, Germany	Site Sub-Investigator	Data acquisition
Barbara Andres, PT	University of Essen, Germany	Site Physiotherapist	Data acquisition
Baerbel Leiendecker	University of Essen, Germany	Site Coordinator	Data acquisition, trial coordination
Corinna Seifert	University of Essen, Germany	Site Coordinator	Data acquisition, trial coordination
Matthew P. Wicklund, MD	Hershey Penn State College of Medicine	Site Investigator	Data acquisition
Ashutosh Kumar, MD	Hershey Penn State College of Medicine	Site Investigator	Data acquisition
Victoria Kern, MPT	Hershey Penn State College of Medicine	Site Physiotherapist	Data acquisition
Heidi Runk	Hershey Penn State College of Medicine	Site Coordinator	Data acquisition and trial coordination
Ekkehard Wilichowski, MD	University Medical Center, Goettingen, Germany	Site Investigator	Data acquisition
Elke Hobbiebrunken, MD	Children's University Hospital, Goettingen	Site Sub-Investigator	Data acquisition
Gerda Roetmann, PT	Children's University Hospital, Goettingen	Site Physiotherapist	Data acquisition
Anja Nolte	Children's University Hospital, Goettingen	Site Coordinator	Data acquisition, trial coordination
Richard J. Barohn, MD	University of Kansas Medical Center	Site Investigator	Data acquisition
Jeffrey Statland, MD	University of Kansas Medical Center	Site Investigator	Data acquisition
Melanie Glenn, MD	University of Kansas Medical Center	Site Sub-Investigator	Data acquisition
Melissa Currence, PTA	University of Kansas Medical Center	Site Physiotherapist	Data acquisition
Laura Herbelin, PT	University of Kansas Medical Center	Site Physiotherapist	Data acquisition, trial coordination
Kiley Higgs	University of Kansas Medical Center	Site Coordinator	Data acquisition, trial coordination
Craig Campbell, MD	University of Western Ontario, Ontario Canada	Site Investigator	Oversight of Canadian sites, data acquisition
Cheryl Scholtes, PT	Thames Valley Children's Centre, London Ontario	Site Physiotherapist	Data acquisition
Rhiannon Hicks	Children's Hospital London Health Sciences Centre, Ontario Canada	Site Coordinator	Data acquisition, trial coordination
Jennifer Petzke	Children's Hospital London Health Sciences Centre, Ontario Canada	Site Coordinator	Data acquisition, trial coordination
Sabine Stein, PT	Medical Center – University of Freiburg, Germany	Site Physiotherapist	Data acquisition
Sabine Wider	Medical Center – University of Freiburg, Germany	Site Coordinator	Data acquisition, trial coordination
Giuseppe Vita, MD	University of Messina & Nemo Sud Clinical Center AOU Policlinico Gaetano Martino, Messina	Site Investigator	Data acquisition
Gian Luca Vita, MD	Nemo Sud Clinical Center AOU Policlinico Gaetano Martino, Messina	Site Physiotherapist	Data acquisition

Name	Location	Role	Contribution
Sonia Messina, MD	University of Messina & Nemo Sud Clinical Center AOU Policlinico Gaetano Martino, Messina	Site Coordinator	Data acquisition, trial coordination
James F. Howard, Jr. MD	University North Carolina, Chapel Hill	Site Investigator	Data acquisition
Jennifer Newman, PT	University North Carolina, Chapel Hill	Site Physiotherapist	Data acquisition
Manisha Chopra, MBBS, CCRP	University North Carolina, Chapel Hill	Site Coordinator	Data acquisition, trial coordination
Imelda Hughes, FRCPCH	Royal Manchester Children's Hospital, UK	Site Investigator	Data acquisition
Sinead Warner, PT	Royal Manchester Children's Hospital, UK	Site Physiotherapist	Data acquisition
Fran Binici	Royal Manchester Children's Hospital, UK	Site Coordinator	Data acquisition, trial coordination
Donna Danziger	Royal Manchester Children's Hospital, UK	Study Nurse	Data acquisition
Hugh J. McMillan, MD, MSc	Children's Hospital of Eastern Ontario, Ottawa	Site Investigator	Data acquisition
Catherine LaCroix, PT	Children's Hospital of Eastern Ontario, Ottawa	Site Physiotherapist	Data acquisition
Rosa Ramos	Children's Hospital of Eastern Ontario, Ottawa	Site Coordinator	Data acquisition, trial coordination
Elena Pegoraro, MD, PhD	University of Padova, Italy	Site Investigator	Data acquisition
Luca Bello, MD, PhD	University of Padova, Italy	Site Sub-Investigator	Data acquisition
Andrea Barp, MD	University of Milan, Italy	Site Physiotherapist	Data acquisition
Claudio Semplicini, MD, PhD	University of Padova, Italy	Site Coordinator	Data acquisition, trial coordination
W. Bryan Burnette, MD	Vanderbilt Children's Hospital, Nashville	Site Investigator	Data acquisition
Penny Powers, PT	Vanderbilt Children's Hospital, Nashville	Site Physiotherapist	Data acquisition
Diana Davis, RN, BSN	Vanderbilt Children's Hospital, Nashville	Site Coordinator	Data acquisition, trial coordination
Taeun Chang, MD	Children's National Medical Center, Washington DC	Site Investigator	Data acquisition
Brittney Drogo, PT	Children's National Medical Center, Washington DC	Site Physiotherapist	Data acquisition
Juliana Lintner	Children's National Medical Center, Washington DC	Site Coordinator	Data acquisition, trial coordination
