
Appendix 2 Coinvestigators

Name	Location	Role	Contribution
Pat Bolger	University of Rochester, Rochester, NY	Principal study pharmacist (central pharmacy)	Supported data acquisition
Cornelia Kamp	University of Rochester, Rochester, NY	Principal study pharmacist (central pharmacy)	Supported data acquisition
Kristina Kuryla	University of Rochester, Rochester, NY	Project management (central lab)	Supported data acquisition
Laura Herbelin	University of Kansas Medical Center, Kansas City, KS	Evaluator and outcomes training	Supported data acquisition
Dixie Ecklund	University of Iowa, Iowa City, IA	Director of operations (data coordinating center)	Supported data acquisition
Michael Bosch	University of Iowa, Iowa City, IA	Project coordinator (data coordinating center)	Supported data acquisition
Marianne Chase	Massachusetts General Hospital, Boston, MA	Director of operations (clinical coordinating center)	Supported data acquisition
Safawa Huq	Massachusetts General Hospital, Boston, MA	Project management (clinical coordinating center)	Supported data acquisition
Sabrina Rarulason	Massachusetts General Hospital, Boston, MA	Project management (clinical coordinating center)	Supported data acquisition
Andrea Ariza	Massachusetts General Hospital, Boston, MA	Project management (clinical coordinating center)	Supported data acquisition
Brenda Thornell	Massachusetts General Hospital, Boston, MA	Project management (clinical coordinating center)	Supported data acquisition
Hong Vu	Yale University, New Haven, CT	Primary principal coordinator (principal site)	Supported data acquisition

Sneha Alaparathi	Yale University, New Haven, CT	Primary principal coordinator (principal site)	Supported data acquisition
Joan Nye	Yale University, New Haven, CT	Study coordinator	Supported data acquisition
Sheila Florin	Yale University, New Haven, CT	Study coordinator	Supported data acquisition
Daniel DiCapua	Yale University, New Haven, CT	Subinvestigator	Supported data acquisition
Aditya Kumar	Yale University, New Haven, CT	Blinded evaluator	Supported data acquisition
Benison Keung	Yale University, New Haven, CT	Blinded evaluator	Supported data acquisition
Kimberly Robeson	Yale University, New Haven, CT	Blinded evaluator	Supported data acquisition
Rahul Anil	Yale University, New Haven, CT	Blinded evaluator	Supported data acquisition
Lauren Langford Fasanella	Weill Cornell Medical College, New York City, NY	Study coordinator	Supported data acquisition
Jim Brian Estil	Weill Cornell Medical College, New York City, NY	Study coordinator	Supported data acquisition
Mona Shahbazi	Weill Cornell Medical College, New York City, NY	Study coordinator	Supported data acquisition
Lindsay Kaplan	Weill Cornell Medical College, New York City, NY	Study coordinator	Supported data acquisition
Dale J. Lange	Hospital for Special Surgery, Weill Cornell Medical College, New York City, NY	Subinvestigator	Supported data acquisition
Rahul Remanan	Hospital for Special Surgery, Weill Cornell Medical College, New York City, NY	Blinded evaluator	Supported data acquisition

Claire Henchcliffe	Weill Cornell Medical College, New York City, NY	Principal investigator (network site)	Supported data acquisition
Joyce Moran	Weill Cornell Medical College, New York City, NY	Site coordinator (network site)	Supported data acquisition
Blagovest (Bill) Nikolov	Weill Cornell Medical College, New York City, NY	Site coordinator (network site)	Supported data acquisition
Rocio Garcia Santibanez	Washington University in St. Louis School of Medicine, St Louis, MO	Subinvestigator	Supported data acquisition
Julaine Florence	Washington University in St. Louis School of Medicine, St Louis, MO	Subinvestigator	Supported data acquisition
Robert (Matt) Carlile	Washington University in St. Louis School of Medicine, St Louis, MO	Subinvestigator	Supported data acquisition
Traci Christenson	Washington University in St. Louis School of Medicine, St Louis, MO	Study coordinator	Supported data acquisition
Mengesha Teshome	Washington University in St. Louis School of Medicine, St Louis, MO	Study coordinator	Supported data acquisition
Linda Schimmoeller	Washington University in St. Louis School of Medicine, St Louis, MO	Study coordinator	Supported data acquisition
Cindy Ly	Washington University in St. Louis School of Medicine, St Louis, MO	Blinded evaluator	Supported data acquisition
Kay Ng Wei Ping	Washington University in St. Louis School of Medicine, St Louis, MO	Blinded evaluator	Supported data acquisition
David Clifford	Washington University in St. Louis School of Medicine, St Louis, MO	Principal investigator (network site)	Supported data acquisition
Stephanie Lowenhaupt	University of Virginia, Charlottesville, VA	Study coordinator	Supported data acquisition

Mariana Doudova	University of Utah, Salt Lake City, UT	Study coordinator	Supported data acquisition
Rob Singleton	University of Utah, Salt Lake City, UT	Subinvestigator	Supported data acquisition
Deanna DiBella	University of Utah, Salt Lake City, UT	Blinded evaluator	Supported data acquisition
Evan Pucillo	University of Utah, Salt Lake City, UT	Blinded evaluator	Supported data acquisition
Noah Kolb	University of Utah, Salt Lake City, UT	Blinded evaluator	Supported data acquisition
Summer Gibson	University of Utah, Salt Lake City, UT	Blinded evaluator	Supported data acquisition
Cathy Revere	University of Utah, Salt Lake City, UT	Site coordinator (network site)	Supported data acquisition
Steve Hopkins	University of Texas Southwestern Medical Center, Dallas, TX	Study coordinator	Supported data acquisition
Mariam Andersen	University of Texas Southwestern Medical Center, Dallas, TX	Study coordinator	Supported data acquisition
Jaya Trivedi	University of Texas Southwestern Medical Center, Dallas, TX	Subinvestigator	Supported data acquisition
Lauren Phillips	University of Texas Southwestern Medical Center, Dallas, TX	Subinvestigator	Supported data acquisition
Steven Vernino	University of Texas Southwestern Medical Center, Dallas, TX	Subinvestigator	Supported data acquisition
Nina Gorham	University of Texas Southwestern Medical Center, Dallas, TX	Blinded evaluator	Supported data acquisition
Mark Goldberg	University of Texas Southwestern Medical Center, Dallas, TX	Principal investigator (network site)	Supported data acquisition
Christine Annis	University of Rochester Medical Center, Rochester, NY	Study coordinator	Supported data acquisition

Charles Thornton	University of Rochester Medical Center, Rochester, NY	Subinvestigator	Supported data acquisition
Rabi Tawil	University of Rochester Medical Center, Rochester, NY	Subinvestigator	Supported data acquisition
Katy Eichinger	University of Rochester Medical Center, Rochester, NY	Blinded evaluator	Supported data acquisition
Lindsay Baker	University of Rochester Medical Center, Rochester, NY	Blinded evaluator	Supported data acquisition
Robert Holloway	University of Rochester Medical Center, Rochester, NY	Principal investigator (network site)	Supported data acquisition
Arya Puwanant	University of Pittsburgh Medical Center, Pittsburgh, PA	Principal investigator	Supported data acquisition
Gabriela Nizawa	University of Pittsburgh Medical Center, Pittsburgh, PA	Study coordinator	Supported data acquisition
Lawrence Wechsler	University of Pittsburgh Medical Center, Pittsburgh, PA	Principal investigator (network site)	Supported data acquisition
Paula R. Clemens	University of Pittsburgh Medical Center, Pittsburgh, PA	Investigator (network site)	Supported data acquisition
Christine Amity	University of Pittsburgh Medical Center, Pittsburgh, PA	Site coordinator (network site)	Supported data acquisition
Danielle Sheldon	University of Miami School of Medicine, Miami, FL	Study coordinator	Supported data acquisition
Julie Steele	University of Miami School of Medicine, Miami, FL	Blinded evaluator	Supported data acquisition
Joanne Wu	University of Miami School of Medicine, Miami, FL	Principal investigator (network site)	Supported data acquisition

Tina Liu	University of Kansas Medical Center, Kansas City, KS	Study coordinator	Supported data acquisition
Jeffrey Statland	University of Kansas Medical Center, Kansas City, KS	Subinvestigator	Supported data acquisition
Mamatha Pasnoor	University of Kansas Medical Center, Kansas City, KS	Subinvestigator	Supported data acquisition
Melanie Glenn	University of Kansas Medical Center, Kansas City, KS	Subinvestigator	Supported data acquisition
Yunxia Wang	University of Kansas Medical Center, Kansas City, KS	Subinvestigator	Supported data acquisition
Melissa Currence	University of Kansas Medical Center, Kansas City, KS	Blinded evaluator	Supported data acquisition
Chad Parks	University of Kansas Medical Center, Kansas City, KS	Site coordinator (network site)	Supported data acquisition
Kathryn Connelly	University of Colorado – Denver, Aurora, CO	Study coordinator	Supported data acquisition
Ildiko Torok	University of Colorado – Denver, Aurora, CO	Study coordinator	Supported data acquisition
Teerin Liewluck	University of Colorado – Denver, Aurora, CO	Subinvestigator	Supported data acquisition
Debra O'Reilly	University of Colorado – Denver, Aurora, CO	Blinded evaluator	Supported data acquisition
Timothy Vollmer	University of Colorado – Denver, Aurora, CO	Principal investigator (network site)	Supported data acquisition
Linda Lovell-Ewen	University of Cincinnati Medical Center, Cincinnati, OH	Study coordinator	Supported data acquisition
Peggy Clark	University of Cincinnati Medical Center, Cincinnati, OH	Study coordinator	Supported data acquisition

Daniel Woo	University of Cincinnati Medical Center, Cincinnati, OH	Subinvestigator	Supported data acquisition
Hani Kushlaf	University of Cincinnati Medical Center, Cincinnati, OH	Subinvestigator	Supported data acquisition
Alecia Boehl	University of Cincinnati Medical Center, Cincinnati, OH	Blinded evaluator	Supported data acquisition
Martha Freeman	University of Cincinnati Medical Center, Cincinnati, OH	Blinded evaluator	Supported data acquisition
Daniel Woo	University of Cincinnati Medical Center, Cincinnati, OH	Principal investigator (network site)	Supported data acquisition
Tracy Glauser	University of Cincinnati Medical Center, Cincinnati, OH	Principal investigator (network site)	Supported data acquisition
Angela Molloy	University of Cincinnati Medical Center, Cincinnati, OH	Site coordinator (network site)	Supported data acquisition
Perry B. Shieh	University of California – Los Angeles, Los Angeles, CA	Principal investigator	Supported data acquisition
Katrina Nguyen	University of California – Los Angeles, Los Angeles, CA	Study coordinator	Supported data acquisition
Bruce Dobkin	University of California – Los Angeles, Los Angeles, CA	Principal investigator (network site)	Supported data acquisition
Catherine Canamar	University of California – Los Angeles, Los Angeles, CA	Site coordinator (network site)	Supported data acquisition
Molly Lindsay	University of California, Davis, Sacramento, CA	Study coordinator	Supported data acquisition
Janelle Butters	University of California, Davis, Sacramento, CA	Study coordinator	Supported data acquisition
Randev Sandhu	University of California, Davis, Sacramento, CA	Study coordinator	Supported data acquisition

Michelle Apperson	University of California, Davis, Sacramento, CA	Subinvestigator	Supported data acquisition
Alina Nicorici	University of California, Davis, Sacramento, CA	Blinded evaluator	Supported data acquisition
Colleen Anthonisen	University of California, Davis, Sacramento, CA	Blinded evaluator	Supported data acquisition
Linda Johnson	University of California, Davis, Sacramento, CA	Blinded evaluator	Supported data acquisition
Craig McDonald	University of California, Davis, Sacramento, CA	Principal investigator (network site)	Supported data acquisition
Randev Sandhu	University of California, Davis, Sacramento, CA	Site coordinator (network site)	Supported data acquisition
Mohammad Alsharabati	University of Alabama at Birmingham, Birmingham, AL	Principal investigator	Supported data acquisition
Melanie Benge	University of Alabama at Birmingham, Birmingham, AL	Study coordinator	Supported data acquisition
Leslie Perry	University of Alabama at Birmingham, Birmingham, AL	Blinded evaluator	Supported data acquisition
Khurram Bashir	University of Alabama at Birmingham, Birmingham, AL	Principal investigator (network site)	Supported data acquisition
Louis Nabors	University of Alabama at Birmingham, Birmingham, AL	Principal investigator (network site)	Supported data acquisition
Eric Gierke	Swedish Medical Center, Seattle, WA	Principal investigator	Supported data acquisition
James Bowen	Swedish Medical Center, Seattle, WA	Principal investigator (network site)	Supported data acquisition
Caryl Tongco	Swedish Medical Center, Seattle, WA	Site coordinator (network site)	Supported data acquisition
Yaacov Anziska	SUNY Downstate, Brooklyn, NY	Principal investigator	Supported data acquisition
Nadege Gilles	SUNY Downstate, Brooklyn, NY	Study coordinator	Supported data acquisition

Steven Levine	SUNY Downstate, Brooklyn, NY	Principal investigator (network site)	Supported data acquisition
Kara Patrick	SUNY Buffalo, Buffalo, NY	Study coordinator	Supported data acquisition
Annemarie Crumlish	SUNY Buffalo, Buffalo, NY	Site coordinator (network site)	Supported data acquisition
Diana Dimitrova	Oregon Health and Science University, Portland, OR	Study coordinator	Supported data acquisition
Joseph Quinn	Oregon Health and Science University, Portland, OR	Principal investigator (network site)	Supported data acquisition
Kellie Keith	Oregon Health and Science University, Portland, OR	Site coordinator (network site)	Supported data acquisition
Amy Bartlett	Ohio State University, Columbus, OH	Study coordinator	Supported data acquisition
Ifeanyi Okoh	Ohio State University, Columbus, OH	Study coordinator	Supported data acquisition
Sarah Heintzman	Ohio State University, Columbus, OH	Study coordinator	Supported data acquisition
Wendy King	Ohio State University, Columbus, OH	Blinded evaluator	Supported data acquisition
Julie Agriesti	Ohio State University, Columbus, OH	Blinded evaluator	Supported data acquisition
Senda Ajroud-Driss	Northwestern University, Evanston, IL	Principal investigator	Supported data acquisition
Elliot Roth	Northwestern University, Evanston, IL	Principal investigator (network site)	Supported data acquisition
Leon Epstein	Northwestern University, Evanston, IL	Investigator (network site)	Supported data acquisition
Tanya Simuni	Northwestern University, Evanston, IL	Investigator (network site)	Supported data acquisition
Tina Ward	Northwestern University, Evanston, IL	Site coordinator (network site)	Supported data acquisition
Thomas Brannagan III	New York- Presbyterian/Columbia University Medical	Principal investigator	Supported data acquisition

	Center, New York City, NY		
Allan Paras	New York-Presbyterian/Columbia University Medical Center, New York City, NY	Study coordinator	Supported data acquisition
Arreum Kim	New York-Presbyterian/Columbia University Medical Center, New York City, NY	Study coordinator	Supported data acquisition
Karen Marder	New York-Presbyterian/Columbia University Medical Center, New York City, NY	Principal investigator (network site)	Supported data acquisition
Claudia Chiriboga	New York-Presbyterian/Columbia University Medical Center, New York City, NY	Principal investigator (network site)	Supported data acquisition
Joyce Moran	New York-Presbyterian/Columbia University Medical Center, New York City, NY	Site coordinator (network site)	Supported data acquisition
Vita Kesner	Emory University, Atlanta, GA	Principal investigator	Supported data acquisition
Elaine Sperin	Emory University, Atlanta, GA	Study coordinator	Supported data acquisition
Becky Kinkead	Emory University, Atlanta, GA	Principal investigator (network site)	Supported data acquisition
Stewart Factor	Emory University, Atlanta, GA	Investigator (network site)	Supported data acquisition
Carole Seeley	Emory University, Atlanta, GA	Site coordinator (network site)	Supported data acquisition
Kristen Roe	Brigham and Women's Hospital, Boston, MA	Study coordinator	Supported data acquisition

Thomas Cochrane	Brigham and Women's Hospital, Boston, MA	Blinded evaluator	Supported data acquisition
Steve Greenberg	Brigham and Women's Hospital, Boston, MA	Principal investigator (network site)	Supported data acquisition
Casey Cokkinias	Brigham and Women's Hospital, Boston, MA	Site coordinator (network site)	Supported data acquisition
Donna Patch	Albert Einstein College of Medicine, Bronx, NY	Study coordinator	Supported data acquisition
Ruth Shinnar	Albert Einstein College of Medicine, Bronx, NY	Study coordinator	Supported data acquisition
Jerome Graber	Albert Einstein College of Medicine, Bronx, NY	Subinvestigator	Supported data acquisition
Michael Swerdlow	Albert Einstein College of Medicine, Bronx, NY	Subinvestigator	Supported data acquisition
Steven Herskovitz	Albert Einstein College of Medicine, Bronx, NY	Subinvestigator	Supported data acquisition
Fabreena Napier	Albert Einstein College of Medicine, Bronx, NY	Blinded evaluator	Supported data acquisition
Mark Milstein	Albert Einstein College of Medicine, Bronx, NY	Blinded evaluator	Supported data acquisition
Shlomo Shinnar	Albert Einstein College of Medicine, Bronx, NY	Principal investigator (network site)	Supported data acquisition
Richard Lipton	Albert Einstein College of Medicine, Bronx, NY	Principal investigator (network site)	Supported data acquisition
